

Coverage Advisor Access @

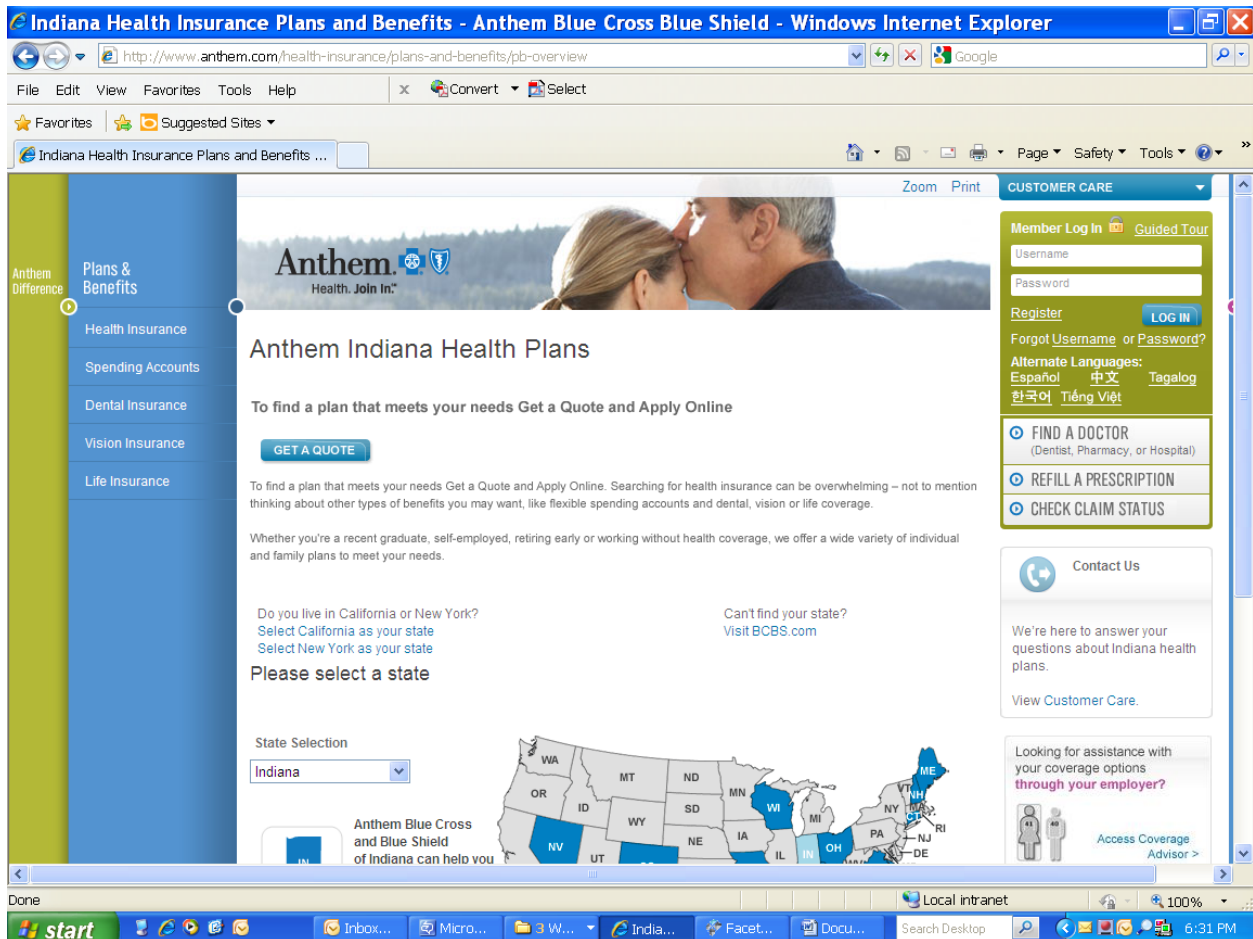

www.Anthem.com

Items I should have before starting using this tool:

1. Anthem ID Card
2. Benefit Plan options to include deductible, coinsurance and out of pocket limits as well as prescription co-pays.
3. Doctor visit history (approximate number of visits per year) and average Prescription usage

Click on vertical blue tab – Plans & Benefits

Bottom Right corner – click on Access Coverage Advisor.

Follow the steps through choosing a plan that best fits your needs based on your plan benefit options as well as your personal utilization.

If the Prescription you take is not on list – add to the Generic Quantity.

Your Plan Type is ‘PPO’
